

# LEGO® Shop-At-Home Information

Note that it generally takes 1½-2 weeks to receive parts from the LEGO® Shop-at-Home Service. Students should carefully consider what is needed prior to ordering extra LEGO® parts. They will likely find the need for more gears, since considerable gearing is needed to increase the turning power of the LEGO® motors. Extra axles, pneumatics, or tires may also warrant strong consideration.

**To order:** Call 1-800-453-4652 (Shop-At-Home takes Credit Card, Check, or Money Order). You can also fax in your order to 1-888-FAX-LEGO, or visit the Shop-at-Home catalog online at [www.lego.com](http://www.lego.com).
